**I. WHO IS THE HOLY SPIRIT?**

To begin with, we need to say that:

**A. The Holy Spirit is a person**

**But what is a person? What do we mean when we speak of personal beings? Let me suggest a definition.**

**Persons are moral and spiritual beings who have a distinct existence and the faculties of intellect, emotion, will, and self-consciousness**

**When we look at persons in the Bible, we discover that persons are spirits. A person is a spirit, and a spirit is a person.**
