

upon our basic question.

One category into which a number of references would appear to fall is that of an efficient enablement to receive and to speak God's Word, i.e., to prophesy. This large category would include the following scriptures:

Numbers	11:25	Nehemiah	9:30
	11:26	Isaiah	61:1
	11:29	Ezekiel	2:2
	24:2		3:12
I Sam.	10:6		3:14
	10:10		3:24
	19:20		8:3
	19:23		11:1
II Sam.	23:2		11:5
I Chron.	12:18		11:24
	28:12		37:1
II Chron.	15:1		43:5
	20:14	Joel	2:29
	24:20	Micah	3:8
Nehemiah	9:20		

The subtraction of these 30 scriptures from the 68 references to the Spirit's ministries to or in persons leaves us with 38 yet to be classified. Of these 38 uses, 16 appear to fall into the category of selection and enablement for oversight, leadership, or rulership. This category would include the following scriptures:

Numbers	11:17	I Samuel	16:14
	11:25	Psalms	51:11
	27:18	Isaiah	11:2 (a)
